COMMENCEMENT CEREMONY DECORUM AND COURTESY

The University of Alabama Commencement is a ceremony marked by both joy and dignity. The actual conferring of degrees signifies long, hard work on the part of everyone involved: students, faculty, administrators, parents and spouses. In keeping with the serious nature of the ceremony, students and guests are expected to maintain a measure of decorum equal to the occasion.

The University community requests that audience participation be of respectful celebration honoring the commitment to learning and the fulfillment of dreams shared by all degree candidates that today walk across the stage. This element of respectful celebration also extends to the parents, guardians and spouses whose labor and support brings pride to the fulfillment of these dreams, and to the family members aspiring to one day have their moment of “walking across the stage.”

ABOUT THE CEREMONY

The processional signifies the beginning of the commencement ceremony. The mace bearer presides over the academic procession; leads the platform party to the stage; and signifies the closing of the ceremony by leading the platform party from the stage. As the processional music begins, the procession led by the candidates, then the platform party, will enter the arena floor and go to their designated seating. The audience should rise once the processional music has begun and remain until the welcome.

The caps and gowns worn by graduates, faculty and platform party are based on the academic costumes used in universities of the fourteenth or fifteenth centuries, particularly at Oxford and Cambridge. These academic costumes, sometimes referred to as academic regalia, are based on the early European universities’ costumes, and these have been used in the United States since colonial times. In 1895, American universities responded to a growing problem of varying academic costumes by creating an Intercollegiate Code to establish standardized academic costumes. Black is the most common color of academic gowns.

In the fall of 1999, a new doctoral gown was authorized for all University of Alabama students earning a doctorate degree. Designed to distinguish University of Alabama doctoral degree graduates, this new doctoral gown was introduced for the 21st century. The new doctoral gowns were worn for the first time at the May 2000 ceremony.

The doctoral gown includes two crimson University of Alabama seals on the front panel of the gown, while the traditional doctoral bars are piped with crimson. The new doctoral gowns place The University of Alabama among a select group of universities who have their own doctoral gowns including Harvard, Yale, Stanford and Princeton.

The members of The University of Alabama Board of Trustees wear black gowns trimmed in crimson velvet. The mace bearer wears a charcoal gray gown trimmed in crimson velvet. Graduates may be identified by the color of the tassel on the black mortar board which signifies the school, or if they are receiving an advanced degree, the color of the band on the hood, which signifies the field of study.

The University of Alabama awards degrees with honors to undergraduate students in all schools and colleges who throughout their academic careers consistently achieved meritorious scholastic standing. These designations are summa cum laude, magna cum laude and cum laude. Summa cum laude is the highest academic distinction awarded. Degree candidates with honors wear stoles in the traditional colors of their school or college. Silver cords indicate participation in the University Honors Program. Royal blue and gold cords indicate participation in the International Honors Program. Computer Based Honors is represented by the purple honor cord.

At the conclusion of the ceremony, the audience will rise for the singing of the “Alma Mater” and the recessional. The words to the “Alma Mater” are printed on the inside back page of the program. The recessional is led by the platform party, followed by the faculty and the candidates. Candidates should meet their family members and guests at predetermined designated areas outside the coliseum.

The University of Alabama conditionally confers degrees upon all candidates for the degrees of educational specialists through undergraduate. Candidates for doctor of education, doctor of musical arts, doctor of nursing practice and doctor of philosophy degrees are actual degree recipients and will receive their diploma at the ceremony. Diplomas for all other candidates who successfully meet degree requirements will be mailed to their permanent address of record upon the completion of final grade submission and degree verification, approximately one month after the ceremony. Honors designations are calculated on previous semesters grade point average. The honor announced, depending upon calculation of final grade point average, may change or in some cases the degree candidate may not actually graduate with an honor designation. Undergraduate degree candidates wearing the crimson mortar board have achieved a perfect 4.0 grade point average for all of their University of Alabama course work.

Alma Mater

ALABAMA, LISTEN MOTHER
TO OUR VOWS OF LOVE,
TO THYSELF AND TO EACH OTHER,
FAITHFUL FRIENDS WE'LL PROVE.

CHORUS

FAITHFUL, LOYAL FIRM AND TRUE
HEART BOUND TO HEART WILL BEAT.
YEAR BY YEAR, THE AGES THROUGH
UNTIL IN HEAVEN WE MEET.

COLLEGE DAYS ARE SWIFTLY FLEETING.

SOON WE'LL LEAVE THY HALLS
NE'ER TO JOIN ANOTHER MEETING
'NEATH THY HALLOWED WALLS.

CHORUS

SO, FAREWELL, DEAR ALMA MATER
MAY THY NAME, WE PRAY,
BE REVERENCED EVER, PURE AND STAINLESS
AS IT IS TODAY.
